Texas Association of Student Financial Aid Administrators

TASF^{AA} Leadership

President's Letter

by Melet Leafgreen

TASF^{AA} members and Friends of TASF^{AA} -

Another TASF^{AA} year comes to a close, and what a year it's been! Members of organization have faithfully served hundreds of thousands of college students and families this year.

You had a wonderful Board of Directors this year. This tremendously dedicated group of people has worked to

ensure that the important work of TASF^{AA} not only continues, but is improved and made stronger every year. My thanks to them for showing up, contributing, and putting up with my Presidential antics.

This was a big year for TASF^{AA}. In our joint Regional Training with TG and THECB we provided free training to over 500 financial aid administrators at 7 sites across the state. Our training committee boasted 72 attendees at this year's New Aid Officer's Workshop in Arlington. Our Facebook page is growing in popularity. We made our positions known through interaction with lawmakers in our state and at the Federal level. We offered free financial aid training to nearly 1000 high school counselors in various regions in the state. Finally, our Fall Conference in El Paso was a great success offering training and networking opportunities for 230 of you.

I've heard it said many times, and I wholeheartedly agree: the Board of Directors may be the ones with the big ideas (sometimes), but the real work gets done by the committees. Our committee members, led by our awesome Chairs, are those who really keep the activities of TASF^{AA} rolling. If you served on a committee this year, you have my (and the Board's) gratitude for your hard work and dedication.

I'd also like to thank TASF^{AA}'s Associate Members. These individuals don't work for schools – instead they work for all the other agencies, businesses, and entities that have a stake in college access and success for Texas' college students. Their leadership and overall contribution to the Association cannot be overstated and is much appreciated.

Special thanks to Devon Wiggins (Tyler JC), Shannon Followill (TTU), and Dana Mingo (DCC) who took up the reigns when I was on maternity leave with my precious new son this past summer. I could not have asked for a better group of people to perform officer duties in my absence, and being able to focus on my baby for a couple of crucial months is a gift my family will not forget.

TASF^{AA}'s mission is to encourage, promote, facilitate, inspire and motivate. If the definition of a family is a group of people who care for and support each other, who build each other up and try to make every member feel important, then TASF^{AA} is a family. I'm proud to be a member of your family. On to bigger and better things in 2015!

Fondly,
Melet Leafgreen

This year's conference took us to El Paso, TX with beautiful weather and plenty of things to do and learn. Although this year's conference was smaller than expected with only 232 attendees, we know that budget constraints and travel probably played a role. However, this does make us pause to think about the future and support of TASFAA, especially in light of the fact this year's theme, Shaping Tomorrow's Future Today, since we do play such a major role in the future of colleges and students throughout the state of Texas.

For those that were able to attend, we had great general sessions from Trevor Summers and Justin Draeger, wonderful welcomes from Melet Leafgreen, Anne Walker and Andrew Hammontree of SWASFAA. The entertainment this year was spectacular, if not a little eerily spot-on from David Magee and Fungi Mungle. Did y'all see those pictures?!?!? And, we had great and poignant presentations from experts all across the state!

TASFAA was able to raise nearly \$1000 for the Mac Adams Scholarship and also was able to provide some much needed money to our community service recipient: The Reynolds Home.

If you missed the conference, please visit the conference site and take a look at the presentation materials. Nearly all of the presenters have offered their materials for you to reference, highlighting the collegiality of TASFAA!

Thank you to the conference committee for a lot of hard work, to everyone who attended and especially to those exhibitors who attended and supported us and to the folks who presented material to make this a terrific conference. See you again next year in Austin, TX!!!

Regional Training

Committee Members:

Delisa Falks, Chair, Texas A&M

TASFAA Regional Training in partnership with Texas Guarantee Agency and Texas Higher Education Coordinating Board conducted the FY 14 regional training. We continue to work as a team to find ways to better serve our financial aid community by providing the best training experience at no expense.

Heather Fountain served as the Vice Chair and will take over as the Chair for the 2014-2015 award years.

This year's topics highlighted relevant new regulations and topics for financial aid offices such as the 150% Subsidized eligibility rules (Map 21), verification updates, Federal updates, state updates and student loan repayment.

We held training at 7 sites that included: Houston (2), Dallas/Ft. Worth (2), El Paso, Lubbock, San Antonio.

Number of attendees per site as follows:

Houston Community College Southeast Learning Hub	Houston	69
Lone Star College - Kingwood	Houston	79
UTSA Downtown	San Antonio	66
Tarrant County College Trinity River Campus	Ft Worth	85
Eastfield College- Dallas CCC	Mesquite	111
El Paso Community College	El Paso	49
Lubbock Christian University	Lubbock	76

Total food cost was \$10,537.88.

We have had suggestions to have another site either in the Valley or West Texas. After discussion regarding this with TG, THECB we believe it would be best to add one site. This site would likely be in the Valley, and then hold one of our trainings at either TG or THECB as a webinar. I would suggest you eliminate the San Antonio site and select Austin as a site, the Austin site would have attendees in the audience as well as this be a webinar for anyone who is unable to get to one of the other sites.

The cost for two TASFAA training committee members was approximately \$3500.00 for expenses submitted to TASFAA for hotel, flights, and meals.

We had issues at one site with the caterer and we are working to address that particular site.

I have enjoyed working as co-chair of this committee for two years and chair for this past year. I feel very confident in Heather as she takes the lead on this committee.

Lastly I would like to thank Texas Guarantee and Texas Higher Education Coordinating Board for all their assistance with the Regional training. They are both great partners to work with and are very valuable to the Regional Trainings.

Site Selection

Committee Members:

Beth Tolan, Chair, University of Texas at Dallas

The fall 2014 TASFAA Conference was held October 8-10 at the El Paso Camino Real Hotel & Convention Center. The fall 2015 TASFAA Conference site has been selected. The October 5-9, 2015 TASFAA Conference will be held at The Omni Austin Southpark Hotel in Austin, TX. The fall 2016 TASFAA Conference site has also been selected. The October 3-7, 2016 TASFAA Conference will be held The Embassy Suites Dallas-Frisco Hotel, Convention Center and Spa in Frisco, TX.

A very special thank you to Don Buehrer who completed and submitted various proposal requests (so many that we were able to find great locations for both 2015 and 2016) and to Don, Shannon Followill, Rafael Villarreal, Joseph Ruiz, and Phillip Applebaum for the conference site visits they completed in May 2014. We look forward to using 2015 to prepare for and review the processes involved in the selection of future conference sites.

On October 8th- 9th the Training Committee welcomed about 44 participants to the 2013 ABC Workshop. The ABC Workshop takes place a day and a half before the Annual TASFAA Conference. The 2013 ABC Workshop kicked off at the Galveston Convention Center in Galveston, TX. The Training Committee presented on the basics of Financial Aid, including the application process, student eligibility, loans, Pell and campus

based programs, verification, satisfactory academic progress, and professional judgment. We were excited to have Jane Caldwell from the Texas Higher Education Coordinating Board present a session on state programs to complete our workshop. The committee received positive feedback on all of the evaluations.

On May 12th-14th the 2014 New Aid Officers Workshop (NAOW) was held at the Sheraton in Arlington, TX. The workshop was well attended and the committee enjoyed putting on this great event. We had 72 attendees at this year's NAOW and the sessions ranged from student eligibility, need analysis, verification, Pell Grant and campus based programs, R2T4, loan repayment information, packaging and satisfactory academic progress. During one of the working lunches the attendees learned about "Dealing with Difficult Students", which was presented by a representative from TG. Lyn Kinyon from the Texas Higher Education Coordinating Board presented on State Programs. Everyone enjoyed learning the basic tools that are needed in order to become a successful financial aid advisor. TASFAA will be in great hands in the future.

Planning for the 2015 New Aid Officers Workshop is soon to begin. Presentations will be evaluated and evaluations will be reviewed in order to make the 2015 NAOW a successful workshop. The Committee is open to suggestions and feedback in order to continue to train our new staff at a high level.

I was an honor to serve as the Chair of the TASFAA Training Committee for the past two years. The Training Committee has a bright future and will continue to take training to new levels.
